

HELLO

KARTHIK SRINIVAS . T

MADURAI

VIJAYAWADA

As a passionate third-year B.Arch. student at SPA Vijayawada, I believe sustainability isn't just an option—it's essential in every design, from cozy homes to towering service complexes. My vision is to create spaces that are not only functional and innovative but also deeply rooted in environmental responsibility. I thrive on blending aesthetics with practicality, ensuring every project I design enhances both the user experience and the planet. With a strong focus on service-oriented architecture, I aim to craft dynamic, future-ready spaces that inspire, adapt, and leave a lasting impact.

EDUCATION

School of planning and Architecture , Vijayawada
Bachelor of Architecture (CGPA – 7.93)
2022 – Present

IIT Madras (CODE)
Construction Technology and Management – Cohort 2 (First Class)
April 2024 – Dec 2024

Canter CADD , Vijayawada
Professional in Architecture CAD (First Class)
Sep 2023 – Nov 2023

MIRS, Chennai
Secondary Education
2020 – 2022

SOFTWARE EFFICIENCY

Drafting	Autodesk AutoCAD
3D Modelling	Autodesk Revit Sketchup Rhino
Rendering	Vray Twinmotion D5 Render
Presentation	Adobe Photoshop Adobe Indesign Microsoft Powerpoint
Analysis	Climatic Consultant Autodesk Civil 3D

SKILLS

- Architectural Visualization & Rendering**
Creating high-quality 3D renders to communicate design intent
- Parametric & Computational Design**
Using algorithm-driven tools like Grasshopper & Rhino
- Sustainable & Climate-Responsive Design**
Applying GRIHA, passive strategies, and biophilic principles
- Team Management & Leadership**
Served as Tour Coordinator for Pondicherry & Udupi trips, leading teams & logistics
- Social Media & Digital Marketing for Architecture**
Promoting architecture through branding & content creation.
- Critical Thinking & Design Research**
Conducting in-depth research for informed architectural decisions
- Event Planning & Client Communication**
Managing interactions, collaborations, and effective project execution.

ACADEMIC PROJECTS

- IT PARK , AMRAVATI**
IT building in the upcoming people capital of Andhra Pradesh, Amravati
- KR MARKET REDESIGN**
Redesigned Important Commercial landmark of the Vijayawada (STUDIO TOPPER)
- BARKUR SAHITYA MANE**
Cultural center designed to enhance multilingual literacy in Dakshina Karnataka.
- SUNSHINE PRIMARY SCHOOL**
Bioclimatic-designed primary school in Vijayawada, blending sustainability with learning
- WOOD'S**
Residence designed for a businessman's family of five in Vijayawada
- ENRICH BOX**
Atelier designed within SPAV campus for informal interaction

COMPETITIONS AND DOCUMENTATIONS

- NASA GRIHA**
A sustainable resort designed for NASA GRIHA, emphasizing green building principles
- CBRI Trophy**
Our submission contributed to our institution winning first prize for documenting vernacular architecture in the warm and humid climate zone.
- NASA CPK Trophy**
Community center designed for the pottery community in Madurai as part of the CPK Trophy
- Vernacular Architecuture and Culture of Dakshina Karanataka**
Documented the vernacular architecture and culture of Barkuru to propose meaningful interventions
- Vernacular Architecture of Godavari Region in Andhra Pradesh**
Conducted documentation and measured drawings of Manduva houses in Kapileswarapuram

SEMINARS AND WORKSHOPS

- Workshop on Laser Scanning and BIM Modelling**
Conducted by Er. Ramesh Konchada and Er. Mohammed Khalid
- Hands on Workshop on CSEB Manufacturing**
Conducted by Auroville Earth Centre , Pondicherry
- Hands on Workshop on Bamboo Construction**
Conducted by Auroville Earth Centre SPAV Campus
- Vertical Design Studio 2023 – Product Design**
Conducted by IIT Hyderabad in collabration with SPA Vijayawada

LANGUAGE

English	Full working Proficiency	Malayalam	Limited working Proficiency
